

Mentor LEGO Robotics

Technology Camp Programmes

December 12 to 16, 2016

Minecraft EDU Camp

AM 9 am to Noon \$200

PM 1 pm to 4 pm \$200

FULL DAY 9 am to 4 pm \$350

Using MinecraftEDU, your child will:

- * develop cooperative digital skills while having fun
- * use problem-solving skills while exploring ecological and geographical concepts
- * discover the crucial importance of urban planning
- * practice their digital citizenship skills when interacting with others in an online environment

Important Information:

- * children ages 7-13 are welcome
- * our Educational Minecraft server is hosted in-school to ensure privacy and safety
- * programme is designed and operated by Mentor's Technology Resource Teacher to ensure a balance of educational value and fun
- * Fully adult supervised at all times
